

## Special Thanks to Our Supporters

The following individuals, families and businesses donated funds to SLV Regional Medical Center over the last few months. Their gifts, plus the efforts of hundreds of others, has helped your hospital bring to fruition projects like the Stephanie L. Miner Women's Imaging Center. The Imaging Center opened this fall. Thanks to all who helped make this dream a reality!

In 2007, SLV Regional Medical Center Foundation will begin fund-raising efforts to provide additional space for physicians, surgeons and physical therapists. Your continued support will help SLV Regional Medical Center in its mission of providing excellent healthcare to the San Luis Valley.
